EMPOWERING SCHOOLS & COMMUNITIES TO BUILD IMPACTFUL MODEL UNITED NATIONS PROGRAMS

At Tomorrow Model United Nations, we're passionate about helping schools & organizations establish thriving Model United Nations programs. Whether you're starting from scratch or refining an existing MUN, we're here to provide guidance every step of the way, tailored resources, and actionable strategies to ensure your success.

OUR SERVICES INCLUDE:

- 01** Comprehensive MUN Setup: Guidance on building a strong foundation for your Model United Nations (structuring committees, drafting rules of procedure...).
- 02** Customized Study Guides: We craft detailed, high-quality study guides to support your committees and ensure participants are well-prepared.
- 03** Chair Training and Support: We provide tailored training to help your chairs excel in their roles, from managing debates to facilitating resolutions.
- 04** Workshops and Training Sessions: Customized sessions for students, teachers, and Chairs on public speaking, diplomacy, and resolution writing.
- 05** Event Organization Support: Assistance with organizing conferences, from logistics to marketing and delegate management.
